

#GUTSY FOR GUT CANCERS

# Kepler & Hollyford Gutsy Challenge 2026

27 Feb - 1 Mar 2026

Gut Cancer Foundation is partnering with Great Walks of New Zealand to offer an unforgettable Kepler-Hollyford adventure, combining stunning landscapes with **raising vital funds to help more Kiwis access clinical trials for gut cancers.**

17

New Zealanders a day are diagnosed with a gut cancer.

8

Kiwis die from a cancer of the digestive system every day.

12% - 30%

The chances of surviving over 5 years with a cancer of the upper digestive system.

We are honoured to have Associate Professor Sharon Pattison, upper gastrointestinal and neuroendocrine cancer medical oncologist, and Chair of Gut Cancer Foundation's Scientific Advisory Board, leading this Gutsy Challenge.
